It's amazing.
THE THING THAT THEY PUT IN WHILE THEY MOVE THEIR HIPS MAKES THEM LOOK LIKE A BUG
IT'S REALLY DISGUSTING

Writer's Comments

Let's hear from our authors!
Please tell us what your ideal sensei is ♥

♥ Takahashi Yuu-sensei ♥

I quite like a sensei who is figurehead for older men.

♥ Saionji Michiru-sensei ♥

A nurse with black hair and his white coat should suit him! There doesn't seem to be many male ones, but I want to be scolded by a handsome man for feigning illness

❤ Ashika Nozomu-sensei ❤

I fantasize on biological science teachers. Like how their eyes shine when they tell you about their knowledge of what would or wouldn't be useful to our life-styles.

❤ Earuhan-sensei ❤

I'm more of a literary person. So if you're asking me about men, I would love a sensei who's sports-oriented!

❤ Koishikawa Fumi-sensei ❤

A sensei who is "*supposed to be an adult, but every now and then, he's unprepared and has his cute moments*" is striking to me. (Also, I didn't draw any on Hoshi but I like glasses, too. Koishikawa)
